American Rescue Plan (ARP) Spending Plan Reporting

1. Have you made changes to your approved ARP - ESSER application?

- YES, the LEA has made changes to your approved ARP ESSER application.
- NO, the LEA has not made changes to your approved ARP ESSER application.

2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.

The public feedback was based around students returning to school and how we can help them transition back to in person learning. Children needed increased social emotional support and help dealing with their anxiety of returning to school. Children's interpersonal skills were lacking due to being home and spending so much time on electronic devices. There is an increased need for children to learn skills to interact with others.

3. Please provide a description of program goals and per pupil teacher ratios for priorities supported by ARP - ESSER funding. Click on "Add Row" as needed to include additional program goals.
