RE: Required Reporting on LEA Allocations of Federal Elementary and Secondary Education Emergency Relief (ESSER) and Governor's Education Emergency Relief (GEER) Funds – DUE APRIL 1, 2022

As a condition of receiving federal ESSER and GEER funding under the Coronavirus Aid, Relief, and Economic Security (CARES) and Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Acts, and federal ESSER funding under the American Rescue Plan (ARP)

LEAs should note that USDE will be requiring additional data elements to be reported for subsequent reporting periods. LEAs should review the USDE [ESSER](#) and [GEER](#) data collection tools and begin tracking expenditures accordingly.

If your LEA is unable to meet the mandatory reporting requirements and submit its Education Stabilization Fund Report by April 1, 2022, NYSED may take action necessary to ensure compliance with the reporting requirements. These actions may include placing special conditions on your LEA's grant award which may include, but not be limited to initiating actions to withhold, suspend, or terminate your remaining ESSER and/or GEER funds in accordance with NYSED's enforcement authority in section 2 CFR Part 200.208 and section 2 CFR Part 200.339 of the Uniform Grants Guidance.
