[*Principles and Guidelines for Adopting or Creating Locally Developed Benchmark Assessments for Checkpoint A for Modern Languages](#) is a document that provides guidance for the creation of Checkpoint A Benchmark Assessments aligned to the revised NYS Learning Standards for World Languages. Benchmark assessments are those assessments used to award one high school credit for middle school students prior to entering Grade 9 and to meet the one-credit graduation requirement. Checkpoint A Benchmark Assessments must be aligned to the revised standards for the June 2025 administration.
